Reviews

4 Direction Stretch™ Provides superior comfort, fit and freedom of movement. The inherent multi-directional stretch of the fabric allows you to perform the movements needed to hunt while not worrying about your garment binding or restricting you.

Micro-Wick™ Technology Contains a unique moisture wicking element to disperse moisture away from the skin to keep you dry and better regulate temperatures and enhance comfort.

S3™ Silver Anti-Microbial Technology S3 products utilize antimicrobial technology which helps to inhibit the growth of odor causing bacteria. S3 keeps the garment smelling fresher longer.
